WARNING: THIS PRODUCT IS DESIGNED TO BE USED WITH FLEXI STORAGE CLEVER CUBE AND PRACTA SOLUTIONS CUBE STORAGE UNITS. THIS CUBE STAND CAN HOLD A MAXIMUM LOAD OF 75 KG.

Once the cube storage unit is placed on top of the cube stand, ensure that the correct wall mount and fixing hardware are securely fitted to prevent toppling. We strongly recommend that this product be permanently fixed to the wall or other suitable surface. Wall mount and fixing hardware is not included, as different surface materials require different types of attachments. Please seek professional advice if you are unsure which fixing hardware is suitable for your wall or surface. Regularly check the fixing device to ensure it remains secure.
Do not exceed the 75 kg maximum load capacity of the cube storage unit. Evenly distribute loads throughout the shelves and place heavier items on the lower shelves.
